

Building Values Are Still Ahead Of Last Year's City Record Mark

Six new homes and two business permits helped push building values at Belle Glade to \$245,075 for the month of September, states Building Inspector W. L. Cunningham in his monthly report. This month's total pushes the year's total valuation to \$395,813 ahead of the same period in 1958.

Total valuation for the first nine months of 1959 was \$1,825,150. There were 264 permits issued in September for fees of \$1,108.85.

New home valuation was \$55,500 and two business permits amounted to \$72,000. Other items in the total valuation figure were \$23,225 for 73 electrical and plumbing permits; \$51,200 for 173 sewer connections; \$25,000 for the Masonic lodge permit; \$17,050 for eight additional permits; and \$100 for one repair permit.

The September valuation figure was \$109,725 more than that of this year and \$106,975 more than September 1958.

New home permits were issued to: R. L. Richards, \$23,225; W. 6th St. (\$5,500); Willie B. Grantlin, 1316 S. W. Ave. D (\$7,500); East Lake Park Developers, 301 and 313 S. E. 7th St. (N) (\$12,500 and \$11,000); Wico Corporation, 157 N. E. 3rd St. and 301 N. W. 10th St. (\$9,500 each).

Business permits were issued to: A. L. and Mary Fowler, 416 S. W. Ave. B. Place (\$50,000) for a three-story apartment building; and Andrew Molloy, 256 S. 6th St. (\$22,000) for a store and 10 apartments.

The \$25,000 Masonic lodge building for Everglades Lodge 273 & A. M. is being constructed at 349 S. Main St.

Like Music, Man
Rhythm Rockers
At Teen Town

Belle Glade's Teen Town will have the "Rhythm Rockers" from West Palm Beach Saturday night, Oct. 10, 8 'til 12 p. m. It was announced this week.

Admission will be 50 cents per person. Everybody is invited to come out and eat and have a ball at the American Legion hall on S. E. Ave. D.

She's hoping to be a veterinarian sometime, therefore her program of cattle raising isn't just a hobby. Typical, too, of the youthful program, Miss Raulerson has received constant and invaluable help from adults who have seen her work with animals and made efforts to help her along the way.

She began her cattle enterprise prize back in 1957, and since that time she's accumulated trophies from fairs and shows. At Palm Beach County Fair and at Orlando, A-H member and 14-year-old lass also owns a Sawyer Ranch, will be adult leader of the youngsters and Price will prepare the program.

In the accompanying photograph, Miss Mary Lou Raulerson, the county agent, and two animals with Price, Miss Raulerson is typical of the many young people in the Glades who are interested in the raising of livestock on what might be called a scientific basis.

Through the program of the livestock club, the county agent hopes to guide and direct boys and girls such as Mary Lou to interesting and, of course, profitable livestock raising goals.

Ram B Squad Tops Stuart Team 19-0

Next Tuesday night Belle Glade High School's "B" squad football team hosts Clewiston at 7:30 p. m. The Glade got its first win of the season Oct. 6 when they blanked Stuart 19-0; they tied their first game with Ft. Pierce 7-7.

The Ramlets scores first on a 15-yard pass from Johnny Bass to Diddy Mills, and later Mike Roberts went over for eight yards out for the second score.

The third score came from a 12-yard run by Homer Frasure, and Dovid Ward went over for the extra point.

Carpenter Seeks
Trustee Post

Milton O. Carpenter has announced his candidacy for Palm Beach County School Board from the Glades area, the position now held by Russell Harmon. School Board No. 12 election is county-wide Nov. 3.

Describing his intentions, he said, "I'd like to be a contributor of the quality of teachers we have in Stewards of Community School at Belle Glade, Beach County and the Glades in particular, feel it is my civic duty to run for that job for that reason."

A native of Pahokee, he attended grammar and high school and has been a resident of Belle Glade for five years. He is associated in an insurance and real estate firm with his father, Dan Carpenter.

Married, Carpenter has two daughters, one attending elementary school in the Glades and the other in Ft. Pierce.

He is Tail Twister of the Belle Glades Lions Club, Director of the intermediate choir of Community Methodist Church, member of the senior choir of First Methodist Church, Pahokee; and he is also a member of the Board of Stewards of Community Methodist Church. He is a member of Belle Glade Lodge 273 F. & M. S. and U. S. Navy 1946-47.

Chief Davis Wins South Bay Election
Councilmen Elfers, Cobb Confirmed

Police Chief Marvin Davis of South Bay won his third two-year term in the city's municipal election by a better than three-to-one vote over his opponent, H. W. Frasure, a political newcomer.

Only 276 voters made the trip to the polls in an election which had only 100 registered voters. Incumbent Councilman Henry Elfers in Group One and Group Two councilman Cobb, also a political newcomer, were unopposed.

The 108 Negro voters in the total, 168 White voters. Rains were believed to be the chief cause of the low vote and the no-contest factor in the council election could have been another reason. A local state election agency have been invited to attend. The ASC County Committee, County Office Managers, County Agricultural Agents, SCS Technicians, SCD Supervisors, Farm Foresters, and FFA Supervisors of Broward, Charlotte, Collier, Dade, Glades, Hendry, Highlands, Indian River, Lee, Martin, Okeechobee, Palm Beach and St. Lucie counties.

Small Claim Court Cases
Must Be Filed By Oct. 9

Just before Friday, October 9, must be filed at the Glades Court House on or before Friday, October 9, if it is expected that they will be heard at the first session of the Court which will be held on October 29.

Due to the fact that there are limitations on time for notifying the persons before the Court is set for the filing of claims to be tried in our first session of the Small Claims Court.

PTA Meeting Oct. 12
W. K. Fortenberry, director, will give a talk on Diversified Cooperative Training at the regular monthly meeting of the Parent-Teacher Association on Monday, October 12 at 8 p. m.

Hostesses will be Mrs. Leiland Pearce, chairman, Mrs. Richard Harris, Mrs. Jack McAndrew, Mrs. Dallas Nobis, Mrs. A. Poston.

District Meeting
For ACP Is Oct. 16

A district meeting to discuss the provisions of the 1960 Agricultural Conservation Program and the changes made in practice specifications under the Conservation Reserve Program will be held at the Palm Beach County Agricultural Building, State Road 15, Belle Glade, Friday, October 16, 1959.

Representatives of the following agencies have been invited to attend. The ASC County Committee, County Office Managers, County Agricultural Agents, SCS Technicians, SCD Supervisors, Farm Foresters, and FFA Supervisors of Broward, Charlotte, Collier, Dade, Glades, Hendry, Highlands, Indian River, Lee, Martin, Okeechobee, Palm Beach and St. Lucie counties.

South Bay Council Receives Proposal On Water Program

Proposals for the construction of a 100,000 gallon overhead water tank for the City of South Bay were presented to councilmen at their regular Thursday meeting Oct. 1. The engineering firm of K. C. Mock and Associates were represented to answer questions from the councilmen.

Mock's figures for the tank and control equipment and pipe are being withheld at the request of the council. But the cost of the tank, which will still receive its supply from Belle Glade Water Department, is only a fraction of the cost of plant and additional equipment. One estimate of the plant was \$40,000.

Mock and his sanitary and water section chief engineer, Ephraim Skiffort, answered questions and also pointed out that their figures were subject to revision after a field survey of water needs.

The council also approved a resolution appointing City Manager Lawton G. Caruthers as city clerk, appointing their election board members; and confirmed the temporary appointment of Bud Harrell to the police department.

Mayor J. C. Bowen appointed his officers and E. O. Miller to serve with Clayton Waters, Lions Club members all, to a joint committee to work toward park development of the lake area on North New River.

An ordinance received first (Continued on Page 6)

Rhodes Is Speaker
At Civitan Meet

Charles Rhodes, sanitarian with the Belle Glade unit of the Palm Beach Health Department, will be guest speaker at today's luncheon meeting of the Belle Glade Civitan Club.

Use Barry will be honorary guest representative from the Belle Glade Business and Professional Women's Club.

Mrs. Barry appears at the meeting as a function of Business Women's Week being commemorated this week.

First Produce Of Season Rolls To Northern Markets

Glades harvesting of fresh vegetables got underway this week on a limited scale, and many produce firms expect to be in business sending carlot quantities by next week. Growing conditions have been favorable for the past few days, except for rains Tuesday, and acreage is expected to be about the same as last year.

Chapman & Sons at Belle Glade jumped the gun on the others by getting the first carlot of radishes out Oct. 1 after their start Sept. 28. Their baskets of 8-10-30s returned \$2.00.

Pioneer Growers Co-op at Belle Glade reported good distribution on truckloads of sweet corn and cabbages. The corn, grading U. S. Fancy, brought \$3.75 for five dozen crates; radishes were sold above.

Lake Shore Growers Co-op are expected to be in the radish harvest early or tomorrow. At the north end, Vandergriff-Williams will have corn next week.

Tom Bender, owner of Kern

District Ten Welfare Report

Thomas E. Denick, Chairman of District Ten Welfare Board of the State Department of Public Welfare, reported that in Palm Beach County 5,453 persons were assisted in the four categories of public assistance for the month of September.

A total of 1,694 persons received old age assistance in the amount of \$85,496; 83 persons received aid to the blind totaling \$5,090 and 876 families representing 2,747 children received aid to dependent children in the amount of \$36,619.

Also, 112 persons received aid to the disabled in the amount of \$10,362. Two hundred thirty-nine children received service during the month, 101 of whom were in foster homes. The total

Farm Bureau Convention

The Florida Farm Bureau will hold its 18th state convention in Clearwater, November 8, 9, 10, it was announced here this week.

Headquarters for the convention will be the Fort Harrison Hotel and all general sessions will be open to the public, the announcement said.

state and local cost for this child welfare service was \$6,007.42.

There were six adoption petitions studied for the Circuit Court.

Remaining class officers will be listed next week.

East Lake Hawks Drill For Opener October 16

About 32 potential football stars at East Lake High School at Pahokee have intensified their training in preparation for their first grid battle in their history when they visit Melbourne Oct. 16.

Coach Oliver Davis expects to be using the "Split T" or "Double Wing" backfield, and boys are looking good. Davis said he'd be weeding out and selecting starting players this week.

The following week East Lake plays Lake Shore at Pahokee. After an Oct. 20 contest with Ft. Pierce the Hawks take on West Riviera High, a team coached by former Lake Shore Athletic Director L. C. McCoy.

Science Curriculum Is Subject At Meeting

Science teachers of Palm Beach County's science curriculum group met at Lake Shore High School Saturday, Oct. 3, for the purpose of discussing plans for the science courses in the Negro schools in the county.

Plans for the curriculum was initiated during the pre-planning period prior to the beginning of this semester.

Attending were Mrs. Juanita O. Williams, J. J. Holliday, Herbert Bridwell, Moses B. Stubbs, Jr., and Joe Orr, all of Roosevelt High School, West of Palm Beach; King D. Jackson, Bryant Elementary School; E. A. Lincoln and Thomas Baldwin, both of West Riviera High; J. W. Perry and Gerald Burke, both of Lake Shore High School, Belle Glade.

Pvt. Williams Now Trains With Ft. Campbell Troops

Army Pvt. Herbert Williams Jr., 24, son of Mrs. Ruth Williams, 3385 Franklin Ave., Miami, Fla., was assigned to the 101st Airborne Division at Fort Campbell, Ky., Sept. 18.

Williams, who was last stationed at Fort Lee, Va., is now now assigned to the 521st Quartermaster Company of the division's Support Group.

He entered the Army in October 1958 and completed basic training at Fort Jackson, S. C. Williams was graduated from Miami's George Washington Carver High School in 1954 and attended Kentucky State College in Frankfort three years. His father lives on Route 1, Clewiston.

Riviera Plays Delray Eagles

Lincoln High School of West Riviera plays Carver H. S. at Delray tonight in the third contest of the year for the new 11st grade high school. Former Belle Glade Lake Shore Coach Ben McCoy has two losses and no wins so far this year.

Lincoln lost to Melbourne 25-0 in their opener then dropped an 18-0 contest Oct. 2. Their other season play will be Oct. 15.

Roosevelt Averages Last Year's Loss With 21-7 Victory

Lake Shore High School's Bobcats suffered their first defeat in two seasons at the hands of the Maroon Devils of Roosevelt High School Friday at West Palm Beach. It was the second win without loss this season for the Devils.

Lake Shore's loss was the first since Nov. 15, 1957 when they defeated Goults 41-6. There have been two Bobcat ties since then but no losses. Thus, the Bobcats are 2-1 in season play and 1-0 in their conference.

Commenting on the game, Coach Willie Irvin said, "The loss was due for the boys because it proved they could be beaten." He said the team would be subject to some rebuilding before their match at Gifford Oct. 10.

Gifford lost their season opener to Dania and played Arcadia last week; however, that score was not available. Gifford tied Lake Shore last year 14-14.

Last Friday's game proved that the Devils were out to avenge last year's 6-0 defeat at the hands of the Bobcats. LSHS had never won from

Roosevelt before.

Sam Marshall's boys had a tough go of it Friday when they had three advances stopped just short of the goal. The Bobcat offense was marred by two costly fumbles and a pass interception.

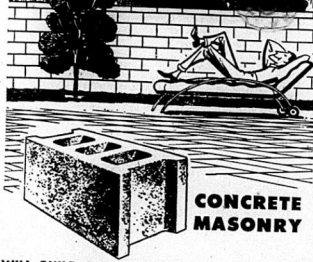

Roosevelt scored first, then Eddie Gainer capped a drive with an eight-yard dash to the end zone. With three minutes left in the first half the Devils took a Bobcat punt 35 yards to score. They collected their final seven points with a pass play after a long drive from their own territory.

Lake Shore PTA Meeting

Lake Shore Schools Parent-Teachers Association met Monday night, and after a brief devotional exercise the business session was held. Twenty six new members were added to the PTA rolls.

A program, "The Need For Education," was presented by members of the Lake Shore High senior class. The presentation was timely and interesting. A large number of parents attended.

RELAX OUTDOORS

WILL BUILD AN ATTRACTIVE OUTDOOR PATIO

You can attain complete privacy . . . relaxation in your own back yard . . . by adding on that patio and fence you've wanted so long—and the material to use is CONCRETE MASONRY . . . throughout! Concrete blocks for terraces, walks and walls provide the modern, inexpensive, durable and truly rugged beauty so necessary in your outdoor scheme. THERE'S NO MATCH FOR ELECTRIC WATER HEATING

EFFICIENT . . . Scaled-in heat for all the piping hot water you want . . . any time, 24 hours a day.

SAFER . . . Only a Modern Automatic Electric Water Heater offers *flameless* safety. No ventings, no pilot lights.

CONVENIENT . . . Space-saving, compact, fully automatic—just set it anywhere and forget it.

CLEANER . . . Flameless also means no soot or odor . . . your home stays cleaner and cooler. And remember, it's cheaper to go all electric in your kitchen-laundry than to use a combination of services.

FLORIDA POWER & LIGHT CO.

Announcing! A WONDERFUL NEW WORLD OF FORDS FOR 1960

In 1960, for the first time in history, your Ford Dealer presents not one, not two, but three new lines of Ford cars . . .

1. The 1960 Ford—The Finest Fords of a Lifetime, beautiful from any Point of View, worth more from every Point of Value!
2. The 1960 Falcon—The New-Size Ford, the world's most experienced new car and the easiest car in the world to own!
3. The 1960 Thunderbird . . . The World's Most Wanted Car!

Introducing the New-Size Ford . . . the 1960 Ford Falcon

Meet the New-Size Ford—the Falcon! Here's a car with plenty of room for six big adults and all their luggage. It's sized to handle and park like a "small" car . . . powered to leap and climb like a "big" car . . . and built like no other car for savings!

It gives you up to 50 miles per gallon on regular gas. Amaze your friends with the new Falcon's 321 cubic inch V-6. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And the Falcon is the world's most experienced new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration demanding Ford's 5 years of development and testing.

The Falcon has the features that American car buyers expect. Its gearshift is on the steering column—not on the floor. Its engine is located up front for greater stability and safety. Best news of all is the Falcon's low, low price. See it at your Ford Dealer's . . . and see the difference!

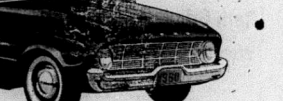

Now you can see them—the Finest Fords of a Lifetime! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hard-top model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme!

And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 332 V-8, like the famous Mileage Maker Six, bring a new world of "smoother, better performance—on regular gas."

To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outlast all comparable models of its major competitors.

Ford savings, however, only begin with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4,000 miles between oil changes . . . Diamond Lustre Finish that never needs waxing . . . aluminum wheels that normally last twice as long as conventional types . . . new, safer, Truck Size brakes that are the biggest ever in Ford's history . . . and new soft-foam, "Pyrex" cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!

Two Changes In Soil Bank

The Palm Beach County Agricultural Stabilization and Conservation Office announced two important changes in the 1960 Conservation Reserve of the Soil Bank, as follows:

(1) Basic annual rates will be established by the same method used for 1959 contracts, and (2) Farmers will have until October 9 (rather than September 30) to take the first step in applying for the 1960 program.

The new law, according to Sam Schooley, Manager of the ASC office, removes the legal requirement that the annual payment rate must depend on

actual crop production during the period 1955-59 on the land placed in the reserve.

Many farmers regarded such rates as unfair because of the effect of drought and other natural disasters on crop yields during one or more of those years.

Under the new law, basic annual rates for 1960 will be determined chiefly on the basis of the productivity and value

of the land for agricultural purposes, just as they were for 1959.

The basic rate may not exceed 20 percent of the value of the land offered and may not be higher than the basic annual rate that would have been established for the same farm in the 1959 program.

A basic per-acre rate is determined for each farmer who requests it. The farmer may

offer land and apply for a contract at any figure below that basic rate. In case funds are insufficient to permit acceptance of all applications, priority in accepting offers will be based on the rate at which the farmer offers his land.

Advertising is the first art of making you think you have found something all your life you never heard of before.

Holsum Intros Soft-Twist Now

Today, housewives in this area will find a new type of bread on their grocer's shelf. A remarkably different type of Sandwich bread, produced by the Holsum Bakers of Miami goes on sale in food stores throughout South Florida. Called Holsum Soft-Twist Sandwich Bread, the new bread has a delicious, different flavor and a finer, more even texture.

According to J. P. Cash, President of Holsum, a new baking process, called soft-twisting, is the secret of the new bread's flavor, softness and longer-lasting freshness.

In the soft-twisting process two pieces of enriched dough are shaped into long, soft, delicate rolls. Then the two rolls of dough are gently twisted around each other. This twisting action seals the texture cells of the dough and prevents air from passing through and drying out the bread.

The twisted dough is then placed in pans for slow rising which tightens the twist and further seals in freshness and flavor.

Breger With Census

Census takers for the 1959 Census of Agriculture have been appointed and they began an intensive training course Wednesday, Oct. 7, in preparation for the start of the field canvass today. It was announced by Marjorie P. Koecher, Delray Beach, crew leader.

Thomas Breger, Belle Glade, was listed among those who took the course.

Every time we see a piece of news copy with the notation, "Release at Will," we wonder why aim such stuff at poor old Will.

Promotion Day For Juniors Held At Baptist Church

Promotion Day for the Junior Department No. 2 of First Baptist Church Sunday School was held Sunday. The Scripture was on Luke 2:52 and the song "In the Temple."

Awards were presented to the following 12 year olds for having the most Sundays of being 100%: Girls: Nancy Norman, 1st and Rachel Collier, runner-up. Boys: Skipper Schoepel, 1st runner-up Paul Craig. The eleven year old receiving a award for 100% attendance was: Girls: Susan Schoepel and Cynthia Nutt, runner-up. Boys: Pat Gilbert, 1st and John Sanford, runner-up.

Mrs. Jane Little's boys class received the award for having the highest grade for the year among the boys. Mrs. Clyde Parrish's class of girls was awarded for having the highest grade for the year among the girls. Mrs. Letha Rice teacher of a 11 year old girls class introduced Susan Schoepel who finished the Department No. 1 \$100 which class had saved during the year to start a building fund designated for the Junior Department.

Teachers of the various 12 year classes presented the diplomas and excused this group to the Intermediate department. Mrs. Strayer Superintendent for Junior Department No. 1 brought in the group promoted to Department 11 from her department. These new Juniors were given Welcome Booklets listing Junior aim, motto, scripture and colors.

Father Huffman To Attend Conference

The vicar of the Episcopal Church of St. John the Apostle, the Reverend Robert N. Huffman, will attend the annual Clergy Conference of the Diocese of South Florida. The Conference begins Monday, October 12th, at the newly-constructed Conference Center at Camp Wingmann, Avon Park, Florida, the camp and conference center of the Diocese. It is expected that nearly all of the 171 clergymen of the Diocese of South Florida will be in attendance.

The Bishop of South Florida, the Right Reverend Henry L. Louttit, will address the clergy on the various aspects of the life of the Diocese. The principal speaker for the Conference, however, will be the Right Reverend Robert Cecil Mortimer, the Bishop of Exeter, Church of England. Bishop Mortimer is perhaps the most distinguished moral theologian in the Anglican Communion. The author of several works in the field, the Bishop of Exeter will deliver a full schedule of lectures on Moral Theology. Discussion of these lectures will follow, under the leadership of a number of the clergy of the Diocese of South Florida. The Conference will end Thursday, October 15th.

Joy And Star Circles Meet

Mrs. W. S. Ingram was hostess to the Joy Circle of WSCS with Mrs. Helen Morris, chairman presiding. Mrs. Herman Hendrix assisted by Mrs. Syd Smith presented the program and Mrs. Vince Marquess gave the devotional.

The members planned for the general meeting of WSCS slated Oct. 5.

Sixteen members and three guests were present. The Star Circle met at home of Mrs. Margaret West. Mrs. Doug Thompson presided. Mrs. Fred Raulerson gave the program and also the devotionals. Twelve members and two guests attended.

Sermon Topics

Everglades Presbyterian Church, Dr. J. Leighton Scott, pastor will speak on the sermon topic "The Secrets of Living" at the Sunday morning service and at the evening service at 7:30 his topic will be "A Psalm of Peace."

St. Peter's Lutheran Church: The vicar, the Rev. August Koerber will preach on the subject: Redempting the Time, for the Days are Evil. The Sacrament of the Holy Communion will be administered.

Northside Baptist Chapel Revival Draws Large Crowd

The revival which began Sunday at the Northside Baptist Chapel will continue through Sunday night, according to Rev. Edward M. Straner, pastor, and there has been a large attendance.

Each night Rev. Al Dawson, evangelist as he delivers the sermon draws a picture and it is given to the person bringing the most people each night.

On Sunday after the morning services a covered luncheon will be held at noon. Sunday evening the person bringing the most people for the whole revival services will be presented the picture.

Rev. and Mrs. Dawson are guests during their stay here of Mr. and Mrs. W. E. Schlichter. Rev. Dawson of Ft. Lauderdale is superintendent of mission for this district and Field secretary for the Southern Baptist Convention.

South Bay Baptist October Activities

The First Baptist Church of South Bay has announced Church events for the month of October.

Services on Sunday, Oct. 11, will be Layman's Day with laymen in charge of both morning and evening services. Oct. 13, at 3 p. m. the Fay Taylor Circle of WMU will meet with Mrs. H. C. Willis. Oct. 15, at 7:30 p. m. the first session of Big Lake Association will meet at H. Haven Baptist Church, Clewiston.

Oct. 16 at 10:30 a. m. there will be an associational meeting at Lake Harbor Baptist Church and at 3 p. m. the associational W. M. U. will meet and at 7:30 p. m. the second session of Big Lake Association will take place.

The Youth Banquet will be held at 7 p. m. Saturday, Oct. 17 and slated Oct. 18-24 there will be a Youth revival each night at 7:30. The church has planned for homecoming services at the church on Oct. 25.

Memorial services were observed at the church Sunday, p. m. Oct. 4, and a World Wide Communion service was observed with Rev. L. C. Woolridge pastor and the Board of Deacons participating.

PRESENTING FOR 1960... BUICK'S ALL-TIME BEST

THE TURBINE DRIVE BUICK '60

A car with major advances in transmission, suspension, brakes, and engines which are Buick's alone today
A solid, substantial car • A car of superb comfort, quiet, reliability • A car you should drive soon

New comfort, quietness, and quality

Doors that open wider - easier to get in and out. Family-size interior. Higher, more deeply cushioned, and repositioned to provide more room for feet and legs. Perhaps the quietest running car in America due to Buick's high use of insulation and torque-tube drive. Buick's quality control program comes to a peak in the Turbine Drive Buick '60.

New interior decor and convenience

An entirely new "Mirrorimage" instrument panel. It lets the driver see speed, gas gauge, and other necessary readings at a glance in a mirror he tilts to suit his own eye level. And a new exclusive safety option - the Twilight Sentinel - that turns headlights on automatically at sunset... off automatically at sunrise. All-new colors and fabrics. Richer appointments.

Outstanding performance with economy

1. Buick's Exclusive Turbine Drive Transmission is 36-smooth, responds faster, more economically than ever. No gear ever shift while the car is in motion.
2. Buick's Exclusive Air-Flow Aluminum Drum Brakes - found on no other American car. Fine-cooled drums front and rear for faster cooling. Fast cooling means safer stopping. Longer brake life.
3. Buick's exclusive Wildcat Engines give high efficiency with high economy. (An optional new LeSabre Engine is designed to give Buick performance on regular grade fuel.)
*Optional air extra cost on LeSabre, standard on Invicta and Electra.

The Woman's Page

Mr. and Mrs. H. J. Taylor and daughter, Joan, of Miami, have moved here to make their home. Mr. Taylor who is the brother of Mrs. Tony Stein, formerly resided in Belle Glade.

Mr. and Mrs. E. M. Van Landingham and son, Gary, spent the weekend with Mr. and Mrs. Joe Zieman and family at Ft. Pierce.

Miss Mary Lou Pitts, daughter of Mr. and Mrs. S. M. Pitts, Belle Glade is living in Pensacola where she is educational secretary for the First Baptist Church. Miss Pitts was previously employed here at the Everglades Experiment station and Belle Glade Memorial Hospital. She accepted the position at the church in the summer.

Miss Nancy Bass, who is working at a doctors office in West Palm Beach, spent the weekend with her parents, Mr. and Mrs. Avery. Mrs. Bass was released from Good Samaritan Hospital Thursday and is recuperating at home.

Art Parks, former linotype operator at the Herald, now residing in Miami visited friends in Belle Glade Friday and Saturday.

Mrs. Lee Rhymes and Mrs. Carolyn White accompanied by their mother, Mrs. Cora Price visited their sister Mrs. Grace White and family in La Belle on Wednesday.

Harry McDonald, son of Mr. and Mrs. C. W. McDonald, who graduated from St. Petersburg Junior College last year is enrolled at University of Florida.

Mrs. J. W. Thorne of Bradenton and her sisters, Mrs. H. D. Reynolds, Eldorado, Ark., and Mrs. N. W. Nelson, Minden, La., are visiting Mrs. Thorne's son and daughter-in-law, Mr. and Mrs. Jack Thorne and family this week. Jack's mother spent four months with her sisters and other relatives this summer. They will visit her in Bradenton before they return home.

Mr. and Mrs. E. F. Bracewell and her daughter and son-in-

OCT. 8, 1959 THE HERALD, Belle Glade, Florida Page 5

law, Mr. and Mrs. Glenn Levins of Pahokee visited relatives in Tifton, Ga., during the week end. Mrs. Bracewell is a teller at Florida National Bank here.

Mr. and Mrs. Homer Brooks, and daughter, accompanied by Mr. and Mrs. Robert Stokes, and children of South Bay spent Sunday with Mr. and Mrs. Dave Waldron at Sarasota. The Waldrons are former residents of this city.

Mrs. Frances Mills reported back to work Monday at Florida National Bank where she is in the bookkeeping Department after recuperating from surgery at Everglades Memorial Hospital, Pahokee.

Mr. and Mrs. Jack Hollingsworth attended the second Fashion Show at the Everglades and Carrillon at Miami Beach on Sunday. In addition to the complete style show the guests enjoyed brunch, luncheon and an ice show.

Mr. and Mrs. Paul Kirchman have been visiting her relatives in Milwaukee, Wisconsin and will visit their son and daughter-in-law, Mr. and Mrs. Kenneth Kirchman at Dayton,

Ohio. Enroute home they plan to stop and see their daughter, Arlene, at Troy State College and son Ronny at University of Florida, Gainesville.

Keith Whitlock, who is working at Cape Canaveral, Cocoa Beach, spent the weekend with his parents, Mr. and Mrs. Ray N. Whitlock.

Mrs. Rosa Nash spent the weekend in Miami as guests of Mr. and Mrs. James G. Reeder, and attended a testimonial dinner and banquet at the Everglades Hotel honoring Eugene Dunlap, who was recently confirmed postmaster at Miami. Mr. Reeder is assistant postmaster.

Omicon Chapter To Be Guests Of Mrs. Lutz

Members of the Omicon Chapter, Sigma Eta Chapter of Fine Arts, will be entertained at a dinner as guests of Mrs. Mabel Lutz at her home in Belle Glade, Monday evening Oct. 12. The dinner will be followed by the regular business meeting of the Chapter.

RAINBOW OFFICERS INSTALLED in an impressive candlelight ceremony open to the public were first row, Lr, Mary Ann Tillery, Sonja Figueroa, Karen Vadass, worthy advisor, Sandra Dras, Cinda Pander, 2nd row, Vicki Hollingsworth, Reid, Sue Clarke, Linda Evans, Penny Carlton, 3rd row, Genie Crisfield, Terry Tucker, Cathy White, Betty Howard. Last week's Herald named the officers and their positions.

Carolyn White Robert E. Cook Exchange Vows

Miss Carolyn White and Robert Earl Cook were married Thursday, October 1 in a simple ceremony at the First Baptist Church, Okeechobee, at 2 p. m. The Rev. John M. Dickson, pastor performed the wedding rites.

The bride is the daughter of Mrs. Pleamon Newburn of South Bay and R. C. White, Okeechobee. Mr. Cook is the son of Mrs. Rosa V. Cook of this city.

Mrs. Jimmie Lou White sister-in-law of the bride was the only attendant. Mrs. Cook graduated from Belle Glade High School in June.

Dr. Rowe's Family Arrives Here Thursday

Mr. David L. Rowe and two children Steven, 12 and Janice 7, arrived here late Thursday night to join her husband Dr. Rowe, who has recently opened his office here.

The Rowes are residing at 105 N. W. Ave. H Place, coming from Farmingdale, L. I., New York. Mrs. Rowe received her B. S. degree from Rad-cliff College, attended Columbia University, School of Social work and Hofstra College where she studied Child Psychology.

While residing in Okeechobee, Mrs. Rowe was a member of the Medical Auxiliary, Secretary of the Tri-county medical Auxiliary and was a substitute teacher at the Okeechobee Elementary and High Schools. She is interested in all community activities and plays golf and bridge.

Pat Webster Feted At Birthday Party

Pat Webster celebrated her 15th birthday at a party given by her mother, Mrs. Lorraine Webster at their home Friday night following the football game.

Dancing was enjoyed by the boys and girls and refreshments were served. Seven of the girls, Pat Anderson, Janet Rhymes, Pat Folsom, Martha Brent, Doris Muller, Betty Sue Broome and Mary Mathewson were guests at a slumber party after the birthday party was over.

Other guests attending were Jane Kirchman, Bobbie Kirchman, Paula Parsons, Roger Walker, Butch Davis, Jim Chalcian, Charles Lutz, Kenny Parker, Gary Norman, Brooks Whitlock, Dan Hayes, Bud Hayes, Jet Morgan, Jerry Rhymes and Butch Buss, Billy Love.

OIL PROGRESS WEEK -- OCTOBER 12-18

More Style And Better Function Is Promised
In 1960 Fords By Dealer Bolton This Thursday

No Service Too Big...

Big job or small, we're always ready to give you friendly, helpful service. And our real service begins after we fill your tank. We'll check your oil, battery and windshield, your tires, lights, and anything else you'd like to have checked.

To be your car's best friend and a good neighbor to you is our prime concern. Another reason why with today's gasoline you're driving a real bargain.

OIL PROGRESS WEEK October 12th-18th

IVAN H. VAN HORN, Distributor
808 NW 12th St. Phone WY 6-2787

Fueloil dealers throughout Florida will observe "Oil Progress Week" October 12-18 by launching a statewide campaign to familiarize the public with their industry's role in the economic development of Florida.

The phenomenal growth and development of our state has been powered by fueloil. Snodgrass of Miami, president of the Florida Petroleum Marketers Association. "We have a tremendous story to tell and it's about time we started telling it."

"Fueloil has contributed more to the industrial growth, progress and development of Florida than any other fuel either has or perhaps ever will, and it will continue to be the state's primary, basic fuel in the foreseeable future."

Among the major industries served by fueloil, Snodgrass listed phosphate mining, cement plants, paper mills, citrus concentrate plants, sugar mills, canning factories, asphalt plants, breweries and "virtually every other industry which uses heat to generate steam either for power or sanitation purposes."

Others listed were the transport industry — railroads, steamships, truck and buses — work boats, commercial fishing boats, agriculture, construction, land and waterway development, as well as commercial businesses like bakeries, laundries and dairies.

"It serves the tourist industry by providing heat and hot water for virtually all of our state's 7,500 hotels and motels," Snodgrass pointed out. "It also serves our schools and hospitals, apartment buildings and office buildings in similar capacities."

"Until very recently, fueloil was the only practical fuel available in Florida for use in generating electric power, and it will continue to play by far the major role in this field."

Snodgrass said that 80 to 85 per cent of Florida's home heat is provided by fueloil. For this

MORE — more hip, shoulder, leg and head room; more visibility, more style, more windshield area, more wiper pattern, more models, more color combinations — more style!

BETTER — better rides, better body design, better power-train better "posture-perfect" seat design, better stability and improved handling through wider tread; better fuel demands and oil flow!

Yes, FORD'S '60 models offer the buying public MORE and BETTER in many designs and functional items, according to Mr. J. O. Wright, Vice President and Ford Division Manager, Ford Motor Company.

Charlie Bolton of Belle Glade believes Mr. Wright knows what he's talking about.

reason, home heat will be emphasized in the early phases of the overall educational program.

The fueloil story will be carried directly to homeowners through the state's newspapers, magazines, radio and television stations, in the form of paid advertisements.

"In cooperation with the Better Home Heat Council, we also have speakers ready to go before civic and fraternal clubs, women's organizations and school groups to tell the story about the important role fueloil plays in our daily lives and in the development of a greater Florida," Snodgrass said.

He listed economy as the No. 1 key to fueloil's widespread use in home and industry, with dependability and safety as additional important factors, particularly in the home heating field.

He pointed out that "fueloil is the only heating fuel that is safe and economical as well as thrifty," and that oil heat is endorsed by the Better Home Heat Council and Florida Home Heating Institute as "best for Florida homes."

for Charlie has a supply of the New Fords on hand and ready for the public to see beginning today.

Beginning with the Falcon, a two-door economy car, which Charlie will "count down" or "measure off," with any of the low-gas-consumption cars, foreign or domestic, Belle Glade Motors is offering a "grown-ups" and stable mates, the Fairlane and Galaxie lines in four-door, four-door, with or without deluxe equipment, with heater, air conditioner, power breaks, power steering, power window controls, as well as a combination of colors — solids or mixed.

In station wagons, Ford is offering a full line with all the trimmings you want, including simulated mahogany paneling. There's more room in the station wagon too, nearly a foot longer.

And, interesting to all, is the fact that the '60 Ford line is designed to use regular grade gasoline.

Charlie invites you to come by today, or as soon as you can to see just what Ford's engineers and scientists have come up with — MORE and BETTER!

LOCAL CAR DEALERS ARE OFFERING SOME HOT BUYS RIGHT NOW... YOU CAN'T BEAT THEM ANYWHERE... WHY NOT TRADE AT HOME... AND SAVE!

South Bay School News

The executive committee of the PTA of the South Bay School met Friday at the school. It was decided to have the annual PTA Halloween Carnival Saturday, Oct. 31.

Mrs. W. W. Forsgren, program chairman, announced that tentative programs for the school year had been set up.

The regular meeting of the PTA was held Monday night at the school and Miss Jane Cook, president of the PBC American Cancer Society gave an enlightening talk on cancer — its causes and cures. Mrs. Barbara Goodman, executive secretary of the society passed out literature to PTA members and the school faculty to be used in the school concerning cancer. Literature on "To smoke or not to smoke" was passed out to grades as low as 3rd grade.

Delicious refreshments were served by the hostess committee Mrs. Loretta Crichfield, Mrs. Claudine Warren, Mrs. Darlene Crews and Mrs. Dorothy Warren. The Halloween motif was carried out in decorations and refreshments.

Principal Hector Ouellette announced also that in about three weeks the PBC Health Department will commence eye tests for all grades at the school and hearing tests will be given the 3rd and 6th grades and to others that need the tests.

South Bay Council

(Continued from Page One)

approval to remove council members as department heads and appoint Manager Caruthers to that capacity.

During the discussion of the city's work to build a water storage and pressure renewal facility, it was pointed out that government help might be obtained, either in loan or grant form depending on current policies in force.

The city is presently saddled with \$183,000 in debt service remaining from a 30-year bond issue created in 1949 to bring

water lines to the city. Present annual payment of that issue is \$11,160.

Councilmen expressed the idea that further city debt should be as light as possible due to its present indebtedness. As the city abandoned its plans, for the present, of a water treatment plant of its own, the extension of water lines to Bean City and Lake Harbor areas was shelved. Mayor Bowen indicated that the city would push to completion its plans for pressure and storage relief before taking on the extension problem.

THE GOODWILL AMBASSADOR WHO NEVER LEAVES TOWN!

Public servant—diplomat—goodwill ambassador. Call me what you will, my job is to serve you—and everyone who drives into my station—the best way I know how.

To you, my neighbors, I'm a local businessman who supplies you with the finest products the petroleum industry can produce. To out-of-towners, I'm an information bureau, traffic guide and booster of our community.

Making friends for our town is part of my job as a good citizen. As a good businessman, I'd like to make friends with your car by giving it the kind of service I'd give my own. Why not stop into my station this week—Oil Progress Week—and let me show you why with today's gasoline you're driving a bargain.

Big Music Show Marks 12th Year For Seminole Broadcasting Co.

Belle Glade Radio Station WSWN officially marks its 12th anniversary Oct. 10 with a big country music show at Belle Glade High School auditorium at 8 p. m., according to General Manager Marvin Smith.

Featured on the program will be Benny Martin and the Whippoorwill plus Curly Howard of the Grand Ole Opry with Deejays Al Harris and Red Wayne as emcees of the show.

Tickets are on sale at Hooks and Whites Appliance Store on Ave. A where the country stars will hold an autograph party Saturday from 3 to 4 p. m. Tickets are on sale there or at the station for \$1 and tickets at the gate will be \$1.25.

There's a prize connected with the promotion at the record store and a big dinner planned for the winner, the station staff and the artists at Ray's Smoke House at South Bay.

R. C. Lane Dies At Kingstree, S. C.

J. K. Baker was called to Kingstree, S. C., by the death of his brother-in-law, R. C. Lane. The deceased was well known here having visited the Bakers many times. He had been ill for about 11 months. Services were held at Kingstree. Mr. Baker returned by plane Saturday.

Jeannette Buss Is "Miss Flame"

Lots of folks are still talking about the Belle Glade girls who swept first and second place at last week's Miss Flame contest over 34 other contestants. Miss Jeannette Buss, 19-year-old modeling instructor, and Nell Killough, former BGHS head majorette, were named winners in the West Palm Beach Junior Chamber of Commerce event at Hotel Pennsylvania Sept. 30.

Miss Buss was Belle Glade Jaycee Harvest Queen of 1958 and later Miss Palm Beach County Fair of 1959. Third-place winner was Miss Cathy Ray, 18-year-old student at Palm Beach Junior College, a former "Roller Skating Queen of America," a title she won last year at Cleveland, Ohio.

Crowning of "Miss Flame" heralds annual Fire Prevention Week, which ends today. Miss Buss is the daughter of Mr. and Mrs. R. E. Buss, Belle Glade; Miss Killough is the daughter of Mr. and Mrs. Edward E. Killough, Lake Worth. A delegation of Belle Glade Jaycees attended the contest at West Palm Beach.

Luechauer-Mosley Engagement Told

Miss Carol Luechauer and Walter Mosley have set the date of their wedding for December 19. Miss Luechauer is the daughter of Mr. and Mrs. George D. Luechauer of Hollywood.

The bride-to-be is a senior at Stetson University and will graduate in February. She is a member of Pi Beta Phi social sorority.

Mr. Mosley is the son of Mr. and Mrs. J. W. Mosley, Jr., of Belle Glade. He is a graduate of Stetson University and a member of Sigma Xi fraternity and is presently an accountant in Belle Glade.

Prison Officials Visit
State Corrections Division Director H. G. Cochran, Jr., with two members of the legislative interim committee on prisons visited Belle Glade this week on a tour of the state's institutions. He celebrated the 100th anniversary of the state's first prison, the Florida State Prison at Jacksonville, which was founded in 1859.

With Cochran were S. E. Saunders and C. A. Roberts, committee members. Emmett S. Roberts, Belle Glade legislator, met the touring group at the prison farm, D. R. Large, superintendent, said.

A feature story on the farm will appear in next week's Herald.

Prices Are Lower

After receiving word that the wooden bridge at the entrance to Belle Glade Memorial Hospital will be altered, the directors agreed to make steps to get the flasher light at the entrance on SR 80 repaired in working order.

Ruth Griggs Is
(Continued From Page One)
for "Woman of the Year," President Rosa Nash stated.

Naming Mrs. Griggs is based on her splendid contribution to society working side-by-side with her husband Julian at Oceola Center, where he is unit leader with the Florida Christian Ministry to Migrants.

Mrs. Griggs is presently at Belle Glade Memorial Hospital where she gave birth to a fine baby girl named Laura Margaret. The Griggs have three other children, Anita Rose, 7, Marian Lucille, 4, and Gladys Robert 2.

Outstanding in her ability and foresight in smoothing out problems and giving counseling among the migrant population she works with the Woman's Club at the center in cooperation with the County Home Demonstration Agent.

During the big freeze, when produce was almost wiped out she became chairman of the emergency migrant committee and was responsible for coordination of all work done. Thousands of people were hungry and needed clothing. She has also appeared before many county clubs and presented talks on migrant problems.

As her husband stated "He chose the work he does, because it is a good way for both of them to make maximum contributions to humanity." The sincerity of purpose of Mrs. Griggs cannot be doubted for she is both a good mother and social worker amongst thousands of migrants who come to this city yearly during the winter months.

Club History Of Business Women

Space commitments prevented the inclusion of a full BPW history as planned. This is part one of a series of articles dealing with the Belle Glade club's accomplishments. (Editor)

During the observation of National Business Women's Week, we take the opportunity to cite the Belle Glade Business Women's achievements, efforts and progress in the community, state and nation.

Since its organization in 1942 when its first project was to clean-up unsanitary conditions in the city, the club has been a part of community projects through the years. The club was chartered by the National Federation of Business and Professional Women's Clubs January 22, 1943, and the clubs first president was Mrs. M. D. Wedgworth who served from 1942 to Sept. 1943.

The club paid expenses for the first delegation to attend a state convention in May, 1943 and also a delegate to the state board meeting. It celebrated BNWW and attended Rotary and Lions Club meetings as part of program; voted to attend and participate in plans for a county-wide organization through the Post-war Planning Board of West Palm Beach, which group was the forerunner of the Palm Beach Resource Development Board, of which the local club was a charter member.

Among the highlights and accomplishments of the club in the following years were in 1944, the club won second place in the War Bonds sales at the Everglades Fair, sold \$2,200, made \$800 on project during BPW week to purchase first playground equipment in part by soliciting sponsors through a page ad in The Belle Glade Herald.

Next week: A year-by-year look at BPW accomplishments.

Mrs. Paul Hawkins Is Stork Shower Honoree

Mrs. Paul Hawkins was complimented at a stork shower at the Women's Club building last Tuesday. Hostesses were Mrs. Jean Sheffield, Mrs. Milton Brackin, Mrs. Walter Asher, Mrs. Barry Bessent, Mrs. Bobby Tyler.

Games were played and winners were Mrs. Lois Sasser and Mrs. Mary Tyler. The door prize was won by Mrs. Clarence Tilton.

The shower motif was carried out with a stork on the table and a baby on the piano. The honoree was showered with many lovely gifts.

Refreshments were served by the hostesses.

New Club Sought

Visiting Altrusans Sketch Principle And Purpose To Prospective Members

At an afternoon tea held Sunday at the Women's Club Building, officers and members of Altrusans of the Palm Beaches and Miami outlined to invited potential members of Belle Glade the purpose and activities of Altrusans in their efforts to organize a club here.

"Altrusans, as its name implies, is a way of life - devotion to the interest of others," Mrs. Mildred Hurley, president of the Palm Beach club told the group. "Women, we believe, must not only be good, they must be good for something."

Significant to its members, she explained, are the unlimited benefits gained by a life of service and association of women in diversified business professions. A mutual regard association is needed than many of us get, she emphasized to broaden our vision and understanding and take us away from our routine shop talk, she emphasized.

Service has its own reward in bringing back to the individual more than is given. Altrusans is a builder of women.

It was explained that Altrusans clubs are classified and selective membership clubs, composed of women who hold executive positions in diversified business and professions, with only one representative of each particular occupational classification holding membership at a given time.

Club objectives are to cultivate friendly relationships; promote mutual understanding, and foster the solidarity of women who are actively engaged in business and professions; to encourage high ethical standards of business and professional conduct; to give vocational information and to be of service to both young and mature women already engaged in or entering business or professional fields.

Other aims are to encourage participation in community and public affairs on a non-partisan basis; to promote educational and cultural training and improvement; to be informed on international affairs and promote mutual understanding between the peoples of all nations.

Participating in the presentation of the club history, organization, outlining the aims and program structure of the club were Mrs. Mary Dial and Mrs. Ruth Coates, Miami and Mrs. Rachel Cozier, West Palm Beach.

Twenty members are required to organize a new club here, she said.

Talks by Mrs. Aileen Belden, West Palm Beach, and Mrs. Irene Blanchette, Miami, were given with "What Altrusans Has Meant To Me."

Others attending were Lee

Kiehl, Kitty Bender, Ethel F. Murray, Veronica Richner, Lou Kelenchick, Pearl King, Margaret Macanley, Irene E. Bacon, Irene Blanchett from the West Palm Beach and Miami clubs and prospective members of Belle Glade: Ruth Wedgworth, Katherine Price, Gladys Williams, Uelba Barry, Mary Lou Raulerson and Verda Mathewson.

Over 150 Attend Home Dedication

Mr. and Mrs. John A. Dulany and son, Philip, received guests, assisted by Mrs. Russell Tucker at their new home 225 N. W. Ave. E Sunday afternoon from 2 to 5.

Arrangements of white carnations in silver containers graced the serving table, laid with a hand embroidered cloth over pastel pink. Pink and white carnations were used on the guest book table and floor basket arrangements of gold.

C. A. Cox Purchases McCard's Jewelry

Mr. and Mrs. Charles A. Cox this week announce their purchase of the former McCard Jewelry, 251 West Avenue A, and will operate the business under the name of Charles A. Cox Jewelers.

The store will carry a complete line of jewelry and related items. In addition they are set up to give prompt service on engraving, ring sizing, jewelry repair right in their jewelry repair.

Mr. Cox owned and operated a jewelry business for the past ten years in Blackshear, Ga. He, in addition to his practical experience, is a graduate of the Southern College of Watch Making and Jewelers, Memphis, Tennessee.

Frederick Boulay, formerly with McCard's, remains in the business to assist in watch and jewelry repair.

Mr. and Mrs. Cox and their daughter Ann, aged 7, are members of the Baptist Church. He is a member of Lions and American Legion, having already transferred to the Belle Glade organizations.

"We're anxious to get to know the people of the community better," Mr. Cox stated, "so we're inviting everyone to come in and see us. As a special inducement we're giving a free gift for every adult who visit our store this Thursday, Friday or Saturday."

Mothers attending were Mrs. Chris Lindsey, Mrs. Barbara Ezelle and Mrs. Paul Bowden. Refreshments of cake, punch and ice cream were served and favors of bubble gum and suckers were given to each child.

Service Column

Army Pvt. James F. Wooten, II, whose father lives in Belle Glade, is receiving eight weeks of advanced individual training with the 1st Infantry Division at Fort Riley, Kan. The training is scheduled to end Nov. 7.

Wooten entered the Army last June and received basic training at Fort Carson, Colo. The 18-year-old soldier, son of Mrs. Louise Wilcox, Houston, Tex., attended Belle Glade High School.

Army Specialist Four Buford E. Knight, 21, whose wife, Nell, lives at 3239 Kinn St., Fort Myers, Fla., participated with the 101st Airborne Division's 502d Infantry in a special STRAC (Strategic Army Corps) assignment at Fort Campbell, Ky., Sept. 12-26.

The 101st Airborne Division, a major STRAC unit, constantly maintains an immediate readiness for airborne deployment to any area in the world. The first company can be ready for departure within two hours after receiving an alert. A second company can be ready to follow in one hour. Within six hours, a reinforced battle group of 1,700 men can be airborne.

A gunner in the 1st Infantry Company B, Knight entered the Army in August 1957.

The son of Mr. and Mrs. Clyde B. Knight, Route 3, Clewiston, he attended Clewiston High School.

Best green celery for shipping!

Here are celery varieties specially developed and tested for shipping from Florida—outstanding for color, compactness, shape, and keeping qualities!

Tall Utah No. 52-70 is a Ferry-Morse development that is very compact and tightly shingled with high rib count. Thick, smooth ribs are medium dark green. Highly resistant to Brown Check.

Compak 1 is similar in type to Tall Utah 52-70, but has deeper color, holds better, and does not blanch as fast. It is recommended for early harvest in cool weather. Plant slightly shorter. Compak 2 for harvest in warmer weather. Resistant to Brown Check and to boron deficiency.

Emerald is a new, early, blight resistant variety that is intermediate in type between Summer Pascal and Utah. It is specially suited for maturity during warm weather.

CONSTIPATED?

Medical reports show how folks over 35 can establish regularity

After 35, irregularity often becomes a problem. What you need is something that aids nature and helps establish regularity. A group of men and women took SERUTAN daily under medical supervision. In case after case SERUTAN, taken daily, helped establish regularity. So, for real relief from constipation after menopause, powder or granules.

BANK
AT BELLE GLADE

There's nothing like a new car—and no new car like Chevrolet. This is the elegant Impala 2-Door Sport Coupe!

SEE IT NOW AND SEE ALL THESE

new and different things
IN THE **1960 Chevy**

completely
!!NEW!!
completely
FRESH STYLE

One look tells you this new Chevy's a beautiful eye-ful—from the new full-width grille to the "V" of its unique rear deck.

new!
easy loading
luggage compartment

New convenience has been built into Chevy's extra-roomy luggage compartment by lowering the loading height. You'll find space enough for a vacation-size luggage load under that sleek rear deck.

THRIFTIER
!!new!!
VS POWER

Under the hood thrift is accounted in a new standard V8, engineered to deliver up to 10% more miles for every gallon while giving you more rest at normal speeds. Or you might choose its strapping teammate—Chevy's Hi-Thrill 6—the engine that starts saving the moment you flip the ignition switch.

NEW QUIET
AND COMFORT

Inside the Body by Fisher you'll find room and more room. There's no sprawl in, room to sit tall in—and the roofline has a respect for hats. A new faster transmission tunnel is a boon to the middle man. Here is the kind of space that invites the family.

Thicker, newly designed body mounts insulate you from road shock and noise, insuring an almost cocoon-like quiet. Full Coil spring suspension melts bumps as no

other suspension system can. Oil hushed hydraulic valve lifters reduce engine noise to a whisper.

!NEW!
refinements
for the driver

Everybody will want to be the driver when he sees the kind of pleasure a turn at the wheel brings. The driver finds Chevy has further cushioned him from engine impulses by an improved clutch linkage system.

There's also a convenient new parking brake that automatically returns to its normal hitch after application. And Chevy provides a choice of 24 engine-transmission hookups to meet the requirements of the most discriminating driver.

DRAMATIC
new colors
!!!new!!!
TWO-TONE
STYLING

Chevy for '60 provides a palette full of hues, both solid and two-tone. But the brightest news of all will come when your dealer tells you the low price all this elegance sells for.

Mr. Columbus And His New World

Next Monday, October 12 is Columbus Day, and we'll assume that any sixth grader can fill you in on the details of the Columbus saga from start to finish. A little known fact about the good gentleman is he believed he had been chosen by destiny to accomplish great things.

He was named after Saint Christopher, patron saint of sailors and travelers. He saw in his name a sign that he should carry Christianity to heathen lands.

He dreamed of establishing a great trading city on an island near Japan, where products of East and West could be exchanged. That dream, of course, wasn't realized until 60 years after his death when the Spanish occupied the Philippine Islands.

The point we remember about Columbus was, he had fortitude and purpose of mind. Without much navigational equipment and cursed by sickness most of the time, Columbus saw to it that the three ships, the Nina, and Pinta and the Santa Maria, made their way across an uncharted ocean to discover a new world.

That's perhaps why we remember Christopher Columbus and set aside a day each year—presumably the day he sat foot on the new lands—to honor his leadership and courage.

Today, there are those who still seek exchanges between East and West—not so much in products as in conceptions of peace and understanding. We still need new worlds ahead of us in this space age.

The concepts of thinking which Columbus possessed are needed qualities today as our nation pushes the boundaries of our world and realm of understanding into space itself. Let Columbus Day stand as a shot in the arm to our energies as we work together toward new understanding, new levels of achievement and new worlds.

Employ The Handicapped

Jobs help handicapped persons "achieve a passport to dignity," Governor LeRoy Collins said in a proclamation which sets October 4-10 as "Employ the Physically Handicapped Week" in Florida.

Governor Collins pointed out that handicapped persons, when properly placed in jobs for which they are qualified, "have achieved production rates as high as unimpaired workers, and have proved their safety by disabling injury rates lower than those of nonimpaired persons."

"To reach her full economic potential, Florida must utilize to best advantage the productive abilities of all who are in the labor market," the Governor said. The Governor urged industry, labor, public and civic groups to support the aims of "Employ the Physically Handicapped Week" to attain for those with disabilities "equal consideration for employment," and opportunities for rehabilitation and training when they need such services to become employees.

The Governor's Committee on Employment of the Physically Handicapped seeks year-round to obtain acceptance by industry of handicapped workers in jobs. The Florida State Employment Service, through its 34 offices over the State, gives counseling and guidance to handicapped workers and works with employers to find jobs for such persons. Claud Andrews, State Education Department Director of Vocational Rehabilitation, is Chairman of the Governor's Committee.

Uncle Dan From Democrat River Says

Dear Mister Editor:

I'm gitting a little out of patience with them Japs. They give us the Japanese beetle, then they about ruin our textile business with cheap goods, and now they've got a new one.

By cross-breeding they've been making roosters that'll crow non-stop for 55 seconds. It says here that the first shipment of these alarm clocks for farmers and ranchers reached the West Coast last week.

The good old American rooster is a reasonable bird that has woken up the farmer in this country for 200 year without much complaint. He gives the farmer a ordinary three-second cock-a-doodle-do, waits a decent spell and gives him another three second warning. Two or three of these and he quits and lets a feller get up in peace and quietude.

A rooster that'll stretch his cock-a-doodle-do for 55 seconds non-stop will give half the farmers and ranchers in this country a nervous breakdown after the year is gone. Between the Japanese beetle and this new rooster business, it looks like they is now out to kill off American agriculture for good.

I think our Government should put a very high duty on them new Japanese alarm clocks. I aim to write my Congressman about it today. The farmer in this country has enough troubles without starting the morning all shook up by one of them perpetual-motion roosters. The old fashioned three second cock-a-doodle-do was good enough for George Washington and it ought to be good enough for us.

That note you got, Mister Editor, about me and my old lady maybe don't git along so good is a mistake. Me and her git along fine. Like all wimmen, she has her little faults. Fer instance, if you take her to town to git somepun, you'll have a find a all-night joint because that'll be the only place open by the time she gits dressed and ready to go. And she talks a heap, too. In fact, some nights she's so tired she can hardly keep her jaws working. And she never gits beyond eyeshot of the television set not more. At first, TV just took the place or radio at our house. Now it has just took the place.

But you tell your readers, Mister Editor, that we git along fine. One reason we git along so good is that I learned right after the ceremony that a feller shows a great command of the English language to say nothing when his old lady has got the floor.

Yours truly,
Uncle Dan
